Once again, KAS Racing and J/70 Class Denmark are thrilled to host the traditional Easter Camp. In 2025, our mission is to strengthen the North European racing circuit and prepare participants for key upcoming regattas, including national championships, the Nordic Title Fight, Kieler Woche, and the Open Europeans hosted in Sandhamn. Building on the success of the Corinthian Worlds in Copenhagen, we have a strong foundation to keep this momentum going. Easter Camp will be a vibrant platform for new and seasoned sailors to connect, learn, and deepen international camaraderie..

This year, we're raising the bar even higher. The Easter Cup will once again be an integral part of the camp program, and our lineup of coaches and onshore services is set to reach new levels.

We'll reveal the coaches' names and the full program gradually throughout the year, but we can already uncover that our team includes professional J/70 sailors, Olympic gold medalists, and a touch of southern European passion.

Save the date for #J70EASTERCAMP2025 which is set for April 18th to April 20th 2025.

Looking forward to see you all again in Copenhagen.  
KAS RACING / J/70 CLASS DENMARK
